

Preparing the Camera Ready Paper for ISCKS 2010

Proceeding of Papers

Kiril P. Anguelov ¹

Abstract In this paper the instructions for preparing camera ready paper for the Conference ISCKS 2010 are given. The recommended, but not limited text processor is Microsoft Word 97/2000/XP. The global instructions for preparing paper with any text processor are given, too.

Keywords - Camera ready paper. Proceedings of papers, ISCKS 2010.

I. INTRODUCTION

In order to effect high quality of ISCKS 2010 Proceeding of Papers the authors are requested to follow instructions given in this sample paper. The deadline for receipt of camera ready papers is July 2, 2010. Maximal length of the regular papers is 4 pages. It is desired to occupy even number of pages.

II. INSTRUCTIONS FOR AUTHORS

A. Page Layout

Times New Roman 10 points font should be used for normal text. Please, equalize the length of the columns on the last page. Paragraphs should be indented 3.5 mm.

Manuscript have to be prepared in a two column separated by 5 mm. Paper must have text area of size 183x243 mm². The margins for A4 (210x297 mm²) and Letter format (216x279 mm²) of paper are given in Table 1.

TABLE I
PAGE LAYOUT DESCRIPTION

Paper size	A4	Letter
Top margin	20mm	20mm
Bottom margin	34 mm	16 mm
Left margin	14 mm	17 mm
Right margin	14 mm	17 mm
Column Spacing	5 mm	5 mm

¹ Kiril Anguelov is with the Faculty of management, Department of Industrial engineering and management, Technical university of Sofia, 8, Kliment Ohridski, Bulgaria

B. Title, Author and Affiliation

Title must be written using 22 pt font, in two lines, centred. The spacing between title and authors line is 6 mm. Authors' names (without affiliation) should be typed using 14 pt font. Authors' affiliation (institution, address) should be given in the bottom of the first column using 9 pt font. Please do not write telephone, e-mail and fax number.

C. Abstract and Keywords

In the beginning of the paper abstract and keywords should be given. Abstract should be about 50 words. It is recommended to use up to 5 keywords. Please use 9 point bold font for abstract and keywords, and 9 point italic font for the words "Abstract" and "Keywords".

D. Sectioning

Regular paper may be divided in a number of sections. Section titles (including references and acknowledgement) should be typed using 12 pt fonts in the small caps option. For numbering use Times New Roman number. In invited paper only sections can be split in subsection, which should be typed 10 pt Italic option. The space after section or subsection title is 4 mm. Spacing of 5 mm is used between the last section or subsection number and the next (sub) section title.

E. Equation

Equations should be centred and labelled. The example of equations is Eq. 1:

$$F_R = \frac{2000T_{uxx}K_r}{d}, \quad (1)$$

$$F_A = 0.2F_R, \quad (2)$$

Larger equation must be split in a multiple lines, as shown in the example of Eq. 2:

$$\begin{aligned} I'_{av} &= \frac{I_{av}}{\omega CU_d} = \frac{1}{\omega CU_d 2\pi} \int_{\psi_A}^{\pi} i(\theta) d\theta = \quad (3) \\ &= \frac{K_{An} D_A \left(\frac{\delta^2}{\Omega^2} - 1 \right)}{\pi v_A F_A} \left(e^{-\frac{\delta}{\omega} \pi} \operatorname{ch} \left(\alpha + \frac{\pi}{\lambda_A} (\pi - \psi_A) \right) - e^{-\frac{\delta}{\omega} \psi_A} \operatorname{ch} \alpha \right) \end{aligned}$$

F. Figures

Figures should be one column wide. If it is impossible to place figure in one column, two columns wide figures is allowed, but in this case figure must be located at the top of the page. Please do not use photocopies. Photographs must be made on a glossy paper. Each figure must have a caption under the figure. For the figure captions 9 pt font should be used.

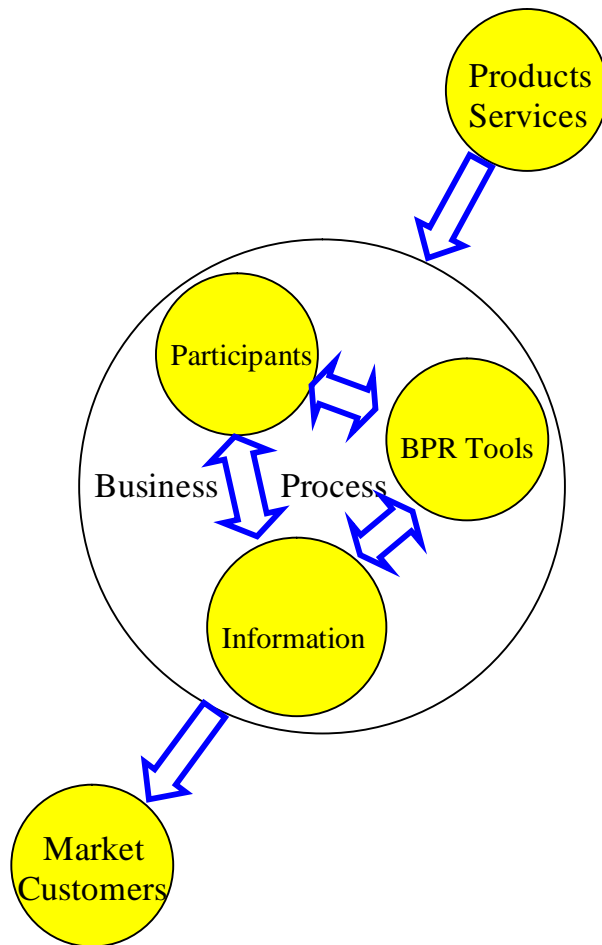

Fig. 1. Figure example

G. Tables

Tables also should be made as one column. In some rare cases it is allowed to use two column tables at the top of the page. Tables must have caption located above the table. Table caption should be written using 9 pt small caps font. Example is Table I given above.

H. Referring

When you refer to an equation, a figure, a table, a section or a literature reference in the text of the manuscript please use the following expressions: Eq. (1), Eqs. (1) and (2), Fig. 1, Figs. 1 and 2, Table I, Tables I and II, Section 1, Sections 1.1 and 1.5, [1], [2].

I. References

The examples for the referencing a journal paper, a conference paper, and a book according to IEEE transactions are given in references Sections [1-3]. For text in the references 9 pt font should be used.

III. ADDITIONAL REMARKS

In order to be included in the final Program and Conference Proceedings your camera-ready paper, written in one of the recommended text processors (Microsoft Word 97/2000/XP, for example), is need to be sent to Scientific Committee no latter than July 2, 2010 (electronical submission).

Official addresses for papers sending are:

via internet:

IV. CONCLUSION

In this paper the instructions for preparing camera-ready paper for including in the Proceedings of Papers of the Conference ISCKS 2010 are given.

ACKNOWLEDGEMENT

For the acknowledgement use the unnumbered section layout.
